

## **Legacy Alliance**

We've learned that it's not what happens to you in life, but rather how you respond to those things that makes all the difference. The Chamberlain High School Legacy Alliance will be doing the following in response to yesterday's board decision to eliminate the Chief moniker.

For Alumni:

1. Chamberlain alumni are and will continue to be Chamberlain Chiefs and we will refer to them as such.
2. We will work with school administration to create a place of honor at Chamberlain for all the Chief memorabilia where alumni can visit and students can understand the history of the school. We will need volunteer(s) to help curate this display.
3. The Chief statue and the floor tile will remain intact in the main hall as a prominent reminder of all the Chiefs who walked those same halls.
4. We invite all alumni to come celebrate Chamberlain at Homecoming 2022 and cherish memories, pageantry, and friendships made as Chiefs. You can also check out the new Billy Turner Field at John Adcock Stadium, see the progress of the Doug Aplin Gymnasium as well as other campus improvements.

We welcome volunteers to help plan and execute a great weekend on our committee.

5. Develop more alumni events throughout the year for Chiefs to gather. We are open to ideas.
6. Get involved! Join us at [www.chamberlainlegacy.com/join](http://www.chamberlainlegacy.com/join)

For Current and Future Students:

1. We will continue to provide Chamberlain students who are among the poorest in Hillsborough County with all the support that the HCPS does not provide and that creates a great school and meaningful experiences.
2. Further develop our “dreamCatcher” Initiative to place students on their pathway to prosperity. The school’s job is to get the students across the graduation stage. Our job is to use our knowledge to break the cycle of poverty by maximizing each student’s lifelong earning potential. It’s working! Learn more at <https://www.chamberlainlegacy.com/current-projects>
3. Continue our efforts to support our feeder schools to increase reading and math scores for incoming CHS students, which, in turn, elevates Chamberlain’s success.

For Faculty and Administration:

1. We can’t pay teachers more money, but we can do our best to make Chamberlain a great place to work! If we want the best education for our students, we must attract and retain the best teachers. Our students deserve the opportunity to succeed and

the materials needed to do so.

Concerns with logos/mascots did not begin with CHS. Chamberlain is people. Its impact is people, its memories are people. Not logos or mascots.

Regardless of yesterday's vote, the Chamberlain High School Legacy Alliance will absolutely continue its efforts to support our school and make Chamberlain a model of what a school can achieve in partnership with the alumni and community parties.
